

Schroders Schroder Equity Opportunities Fund

Wholesale Class Distribution AUD | Data as at 30.04.2023

Fund objectives and investment policy

To outperform the S&P/ASX 300 Accumulation Index after fees over the medium to long term by investing in a broad range of companies from Australia and New Zealand.

The Schroder Equity Opportunities Fund is an unconstrained actively managed portfolio investing in a broad range of companies predominantly from Australia with the objective of specifically seeking out higher quality companies characterised by strong returns on capital with a sustainable competitive advantage. The Fund invests across a broad universe of securities with no benchmark constraints, investing in companies of all sizes, avoiding the pitfalls of capitalisation weighted benchmarks which place undue emphasis on large companies. Stock selection is at the core of the investment process, based on intensive in-house company analysis undertaken by Schroders' highly experienced Australian investment team.

The Fund may invest in Australian and New Zealand securities including but not limited to equities, hybrid securities, cash and cash equivalents, property trusts, exchange traded funds, futures, options and listed equity market derivatives.

The following investment ranges apply:

Asset classes / Investment ranges

Australian and New Zealand securities : 80% - 100%

Cash and cash equivalents : 0% - 20%

Past Performance is not a guide to future performance and may not be repeated.

The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall. The chart is for illustrative purposes only and does not reflect an actual return on any investment.

Returns are calculated bid to bid (which means performance does not include the effect of any initial charges), net income reinvested, net of fees.
