## **1 Basis of preparation of interim report**

These condensed interim financial statements cover Schroder Wholesale Australian Equity Fund (the "Fund") as a registered managed investment scheme. The Fund was constituted on 1 July 2000. These condensed interim financial statements are general purpose financial reports for the half-year ended 31 December 2024 prepared in accordance with accounting standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

This condensed interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2024 and any announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The Responsible Entity of the Fund is Schroders. The Responsible Entity's registered office is Level 20, 123 Pitt Street, Sydney NSW 2000. The financial statements are presented in the Australian dollars.

Except for the impact of new and amended accounting standards adopted by the Fund, the accounting policies adopted are consistent with those of the previous financial year and the corresponding interim reporting period.

## **2 Summary of material accounting policies**

### **(a) New and amended standards adopted by the Fund**

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial half-year beginning 1 July 2024 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

### **(b) Net assets attributable to unitholders**

Units are redeemable at the unitholders' option, however applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders. The units are classified as financial liabilities as the presence of multiple classes of units on issue by the Fund means it does not meet the criteria in AASB 132 *Financial Instruments: Presentation* for classification as equity.

The units can be put back to the Fund at any time for cash based on the redemption price. The units are carried at the redemption amount at balance sheet date if the holder exercises the right to put back to the Fund.

## **3 Fair value measurement**

The Fund measures and recognises the following assets and liabilities at fair value on a recurring basis:

- Financial assets at fair value through profit or loss ("FVPL") (see note 4)

AASB 13 requires disclosure of fair value measurements by level of the following fair value hierarchy:

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

### *Recognised fair value measurements*

The tables below set out the Fund's financial assets and financial liabilities (by class) measured at fair value according to the fair value hierarchy at 31 December 2024 and 30 June 2024.

### 3 Fair value measurement (continued)

Investments in unlisted unit trusts of \$1,705,246,245 (30 June 2024: \$1,713,141,274) are classified as level 2 as they are not traded on an active market. Whilst not traded on an active market, units in the unlisted trusts are open to daily transactions. In addition, the underlying investments of the unlisted unit trusts are mostly classified as level 1.

The Fund did not hold any level 3 instruments during the half-year ended 31 December 2024 and year ended 30 June 2024.

# Independent Auditor's Review Report

To the unitholders of Schroder Wholesale Australian Equity Fund

## Conclusion

We have reviewed the accompanying **Condensed Interim Financial Report** of Schroder Wholesale Australian Equity Fund (the Fund).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Condensed Interim Financial Report of Schroder Wholesale Australian Equity Fund does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Condensed Interim Financial Report** comprises:

- Condensed statement of financial position as at 31 December 2024;
- Condensed statement of comprehensive income, Condensed statement of changes in equity and Condensed statement of cash flows for the half-year ended on that date;
- Notes 1 to 9 comprising a summary of material accounting policies and other explanatory information; and
- Directors' Declaration.

## Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with these requirements.

## Responsibilities of the Directors for the Condensed Interim Financial Report

The Directors of the Schroder Investment Management Australia Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*; and
- such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Review of the Condensed Interim Financial Report

Our responsibility is to express a conclusion on the Condensed Interim Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Condensed Interim Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a Condensed Interim Period Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
