Do I need to complete an additional application form?

If you are an existing investor adding to a fund you already hold, and making the payment via BPAY, you do not need to complete an additional application form.

How do I use BPAY?

Simply follow these steps:

Access the BPAY facility through your financial institution's online banking platform.

1. Enter the relevant BPAY Biller code for the fund you wish to invest in (see table above)
2. Enter your 8-digit Customer Reference Number (CRN). This can be found on your statement from 1 August 2017 or by contacting Client Services.
3. Enter the amount you wish to add to your managed fund investment.
4. Record your receipt number as proof of the transaction. Schroders will send you a transaction confirmation within 5 business days once we receive your funds.

Please note: It is a condition of using the BPAY® facility that you obtain and read the current Product Disclosure Statement (PDS) for the fund into which you are investing prior to making an investment, as the PDS may be updated or replaced between the time you last invested and when you make your next investment. You can download a copy of the PDS from Schroders website www.schroders.com.au or call our Client Services team on 1300 136 471.

Will my funds be transferred immediately?

There may be a delay between the day you initiate a BPAY transaction and the day your funds are transferred to Schroders. Units will only be issued once we receive the money in our bank account and will be issued at the unit price of your chosen fund applicable to the day payment is received.

Do deposit limits apply for payments made via BPAY?

Your financial institution may set daily transaction limits for your account including the amount of funds you can transfer via BPAY. Please check with your financial institution for your daily transaction limit.

Can I use my credit card account?

BPAY investments will not be accepted from credit card accounts due the credit card processing charges.
