A Accumulation USD | Data as at 31.03.2025

### Return of USD 10,000

**Past Performance is not a guide to future performance and may not be repeated. The value of investments and the income from them may go down as well as up and investors may not get back the amounts originally invested. Exchange rate changes may cause the value of any overseas investments to rise or fall. Performance data does not take into account any commissions and costs, if any, charged when units or shares of any fund, as applicable, are issued and redeemed.**

The chart is for illustrative purposes only and does not reflect an actual return on any investment.

Returns are calculated NAV to NAV (which means performance does not include the effect of any initial charges), net income reinvested, net of fees.

### Benchmark and corporate action information

The Fund has environmental and/or social characteristics (within the meaning of Article 8 SFDR).

The fund does not have a target benchmark. The fund's performance should be compared against the MSCI All Country World (Net TR) index. The comparator benchmark is only included for performance comparison purposes and does not have any bearing on how the investment manager invests the fund's assets. The fund's investment universe is expected to overlap materially with the components of the comparator benchmark. The investment manager invests on a discretionary basis and there are no restrictions on the extent to which the fund's portfolio and performance may deviate from the comparator benchmark. The investment manager will invest in companies or sectors not included in the comparator benchmark. The comparator benchmark has been selected because the investment manager believes that the benchmark is a suitable comparison for performance purposes given the fund's investment objective and policy. The benchmark(s) does/do not take into account the environmental and social characteristics or sustainable objective (as relevant) of the fund. On 01.05.2021 the MSCI All Country World (Net TR) Index replaced the MSCI World Index.

#### Benchmarks: (If applicable)

Some performance differences between the fund and the benchmark may arise because the fund performance is calculated at a different valuation point from the benchmark. The fund is not managed with reference to a benchmark. The comparator benchmark has been selected because the investment manager believes that the benchmark is a suitable comparison for performance purposes given the fund's investment objective and policy.
