\*There is no guarantee against capital loss.

\*This distribution level refers to Schroder ISF Global Credit Income A Distribution USD MF share class.

# Worldwide

Seize a broader range of opportunities without any regional or sector bias

## Geographical Breakdown

Through a global, flexible credit portfolio, the fund provides exposure to the full corporate bond universe for more potential income opportunities.

### Regional allocation as at 31 Mar 2025

Diversified across over

**60+**  
countries

## Sector Breakdown

For illustrative purposes only and should not be viewed as a recommendation to buy or sell. 'Cash & Derivatives' exposure includes cash, cash synthetic, CDS baskets, CDS float (non-active leg on the CDS), forwards, futures, and IRS. Countries with risk exposures < 1% have been excluded. The breakdown charts may not sum to 100%, as unclassified securities have been excluded. The ratings charts may not sum to 100% as forwards, interest rate swaps, unrated securities and CDS float (the non-active leg on the CDS) have been excluded.

# Blended for a Robust Income

The fund's primary target is to deliver sustainable income by investing primarily across the broad and diverse global credit universe, a perfect kickstart to get your money to begin working harder for you.

The fund intends to make a fixed payout of

## 6.5%p.a.\*

\*Applicable to A Dis USD class

Distributions of the Schroder ISF Global Credit Income (the "Fund") will be declared on a monthly basis. The distributions are not guaranteed and will be reviewed periodically. In the event of income and realised gains being less than the intended distribution, distributions will be made from capital. Investors should be aware that the distributions may exceed the income and realised gains of the fund at times and lead to a reduction of the amount originally invested depending on the date of initial investment.

**Past performance is not indicative of the Fund's future or likely performance. The portfolio yield is not guaranteed and may fluctuate due to market movement.**

\*Monthly fixed distributions of 6.5% with currency carry adjustments. Monthly distribution payouts may include a premium if the interest rate of the currency hedged share class is higher than the Fund's base currency interest rate. Consequently, if the interest rate of the currency hedged share class is lower than the Fund's base currency interest rate, monthly distribution payouts may be discounted. Any premium or discount is determined by differences in interest rates and is not part of the Fund's investment objective or policy. The fund has environmental and/or social characteristics within the meaning of Article 8 Regulation (EU) 2019/2088 on Sustainability related Disclosure in the Financial Services Sector (the SFDR). For information on sustainability-related aspects of this fund please go to [www.schroders.com](http://www.schroders.com).

<sup>1</sup>The annualised payout rate shown is as at the last record date of 26 Mar 2025. For more information on the annualised dividend rate of a single payout and the composition of distribution payments, please refer to [www.schroders.com.sg/distributioninformation](http://www.schroders.com.sg/distributioninformation). For illustrative purposes only and does not constitute to any recommendations to invest in the above-mentioned security/sector/country.

<sup>2</sup>Distributions of the Schroder ISF Global Credit Income (the "Fund") will be declared on a monthly basis. The distributions are not guaranteed and will be reviewed periodically. In the event of income and realised gains being less than the intended distribution, distributions will be made from capital. Investors should be aware that the distributions may exceed the income and realised gains of each fund at times and lead to a reduction of the amount originally invested depending on the date of initial investment.

This advertisement has not been reviewed by the Monetary Authority of Singapore.

This is prepared by Schroders for information and general circulation only and the opinions expressed are subject to change without notice. It does not constitute an offer or solicitation to deal in shares of any Schroders fund (each a 'Fund') and does not have regard to the specific investment objectives, financial situation or the particular needs of any specific person who may receive this. Investors may wish to seek advice from a financial adviser before purchasing shares of any Fund. In the event that the investor chooses not to seek advice from a financial adviser, he should consider whether the relevant Fund in question is suitable for him. Past performance of a Fund or the manager, and any economic and market trends or forecast, are not necessarily indicative of the future or likely performance of the Fund or the manager. The value of shares in a Fund, and the income accruing to the shares, if any, from the Fund, may fall as well as rise. Investment in shares of a Fund involves risks, including the possible loss of the principal amount invested. A Fund may from time to time be concurrently offered to institutional and/or accredited investors and certain other persons pursuant to Sections 304 and/or 305 of the Securities and Futures Act 2001 (the 'Relevant Persons'), and in such case, investors should note that certain share classes of such Funds may only be made available to the Relevant Persons and not to retail investors. Retail investors should refer to the Singapore prospectus of the relevant Fund, available from Schroder Investment Management (Singapore) Ltd or its distributors, for the list of share classes of a Fund which are available to retail investors. Investors should read the Singapore prospectus before deciding to subscribe for or purchase shares in any Fund. A Fund may carry a sales charge of up to 5%.
