Schroders

Find your investment flow with Schroder Asian Income

Schroder Asian Income is a multi-asset strategy designed to bring stability, strength and growth to your investment portfolio.

1 Stable income stream

Invest for **consistent and sustainable income** generated from multiple sources, including dividend yielding Asian equities, bonds, cash and alternative assets.

2 Flexible, dynamic allocation

Capture attractive income across Asian fixed income and equities through a **dynamic and nimble** strategy, with the flexibility to leverage global and alternative assets for added growth opportunities and portfolio resilience.

3 Resilient across market cycles

Gain **certainty of income and capture upside potential**, while managing volatility during down markets with a proven risk management strategy.

Attractive income stream with payout of 6.0% p.a.^{1,2}

Schroder Asian Income offers a payout of 6.0% p.a.^{1,2}, supported by expectations of stable income from Asian equities, attractive yields from Asian fixed income, as well as our Global ex- Asia holdings.

Positioned to access diverse Asian opportunities

Schroder Asian Income has primary exposure to a diverse range of quality Asian companies that benefit from the region's long-term structural growth trends.

Schroder Asian Income has an attractive payout^{1,2}

Yield comparison against difference asset classes

Asset classes are based on the following indices:

Europe EQ: MSCI Europe, EM EQ: MSCI EM, Asia Pac ex Japan EQ: MSCI Asia Pacific ex Japan, Japan EQ: Topix, World EQ: MSCI World, US EQ: S&P 500, Asian IG: ICF BofA Asian Dollar Investment Grade Corporate, EM IG: ICF BofA High Grade Emerging Markets Corporate Plus, US IG: ICE BofA US Corporate Index, & Euro IG: ICE BofA Euro Corporate.

Past performance is not indicative of the Fund's future or likely performance. The portfolio yield is not guaranteed and may fluctuate due to market movement.

¹The annualised payout rate shown is as at the last record date of 30 Apr 2026. Past payout yields and payments do not represent future payout yields and payments. For more information on the annualized dividend rate of a single payout and the composition of distribution payments, please refer to www.schroders.com.sg/distributioninformation. In the event of income and realised gains being less than the intended distribution, distributions will be made from capital. Investors should be aware that the distributions may exceed the income and realised gains of each fund at times and lead to a reduction of the amount originally invested depending on the date of initial investment. ²Distributions of the Schroder Asian Income (the "Fund") will be declared monthly. The distributions are not guaranteed and might be changed at the Manager's discretion in accordance with the Trust Deed. Ordinarily, they will be reviewed periodically. In the event of the Fund's income and realised gains being less than the intended distribution, distributions will be made from capital, subject to trustee approval. Investors should be aware that the distributions may exceed the income and realised gains of the Fund at times and lead to a reduction of the amount originally invested, depending on the date of initial investment.
