Schroder Global Core Fund - Active ETF

(ASX: CORE)

Active ETF Distribution AUD | Data as at 31.08.2025

Fund objectives and investment policy

The Schroder Global Core Fund is an actively managed strategy designed to target outperformance of MSCI World ex Australia ex Tobacco with limited risk relative to the index. The team analyses a global universe of over 10,000 companies to identify attractive opportunities, applying index relative constraints at the stock, sector and regional level in order to ensure effective diversification, manage risk and avoid any extreme outcomes. This strategy provides the benefits of index-based investing from a risk and cost perspective with the advantage of relative performance upside potential.

Fund performance

^Represents distributions as a proportion of total net return

^^Price to price return excluding distribution reinvestments

Past performance is not a reliable indicator of future performance.

Returns over 12 months are annualised. Exchange rate movements may cause the value of investments to fall as well as rise.

Please refer to www.Schroders.com.au for post-tax returns.

Some performance differences between the fund and the benchmark may arise as the benchmark returns are not adjusted for non-dealing days of the fund. **There is insufficient data to provide a useful indication of past performance to investors. Share class launch date: 04.06.2025**
